Gather at Livermore Lab Wednesday, August 6 Hiroshima Day 2014

**7:30 AM, music, speakers, art, and a solemn moment of
silence to honor radiation victims**

**8:30 AM, short procession to the gate where those who
choose will peacefully risk arrest**

SAVE THE DATE: Come to the Livermore nuclear weapons laboratory's northwest corner, at Vasco & Patterson Pass Roads, in Livermore. There will be parking set up at the rally site and vanpools from the Dublin-Pleasanton BART station (call 925-443-7148 to reserve a seat).

On the 69th anniversary of the U.S. atomic bombings of Hiroshima and Nagasaki, we invite all who seek peace and justice to gather at the location where scientists are developing nuclear weapons. Each new weapon design involves "upgraded" features able to rain unimaginable devastation on a moment's notice anywhere on Earth. The budget request reveals that 89% of the Livermore Lab's funding (more than a billion dollars) will go to nuclear weapons activities in the coming year. *Stand with the Hibakusha (A-bomb survivors) to proclaim "Never Again." No Nukes. Join us.*

*Co-sponsored by American Friends Service Committee, Asian Americans for Peace & Justice, Campaign Nonviolence/Pace e Bene, Ecumenical Peace institute, Fr. Bill O'Donnell Social Justice Committee/Newman Peacemakers, Jane Addams Peace Association, Livermore Conversion Project, Mt. Diablo Peace & Justice Center, Nafsi ya Jamii, Nevada Desert Experience, No Nukes Action, Oakland CAN, Peace Action West, Physicians for Social Responsibility-SF Bay Area Chapter, Seven Generations, Tri-Valley CAREs, Western States Legal Foundation, and Women's International League for Peace & Freedom, Monterey County Branch.
