

CONTENTS

- I INTRODUCTION**
- II VISION AND STRATEGY**
 - A. Joint Vision 2010
 - B. Joint Warfighting Capability Objectives
 - C. Joint Warfighting Capability Assessments
 - D. S&T Strategic Planning Process
- III TRANSITION OF TECHNOLOGY TO THE JOINT WARFIGHTER**
 - A. Advanced Technology Demonstrations
 - B. Advanced Concept Technology Demonstrations
 - C. Joint Experimentation at U.S. Joint Forces Command
 - D. Joint Experimentation Concept Summaries
- IV INFORMATION SUPERIORITY**
 - A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities
 - D. Current Capabilities, Deficiencies, and Barriers
 - E. Technology Plan
 - F. Summary
- V PRECISION FIRES**
 - A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities
 - D. Current Capabilities, Deficiencies, and Barriers
 - E. Technology Plan
 - F. Summary
- VI COMBAT IDENTIFICATION**
 - A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities
 - D. Current Capabilities, Deficiencies, and Barriers
 - E. Technology Plan
 - F. Summary
- VII JOINT THEATER MISSILE DEFENSE**
 - A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities

- D. Current Capabilities, Deficiencies, and Barriers
- E. Technology Plan
- F. Summary

VIII MILITARY OPERATIONS ON URBANIZED TERRAIN

- A. Description
- B. Operational Capability Elements
- C. Functional Capabilities
- D. Current Capabilities, Deficiencies, and Barriers
- E. Technology Plan
- F. Summary

IX JOINT READINESS AND LOGISTICS AND SUSTAINMENT OF STRATEGIC SYSTEMS

Section 1—Joint Readiness

- A. Description
- B. Operational Capability Elements
- C. Functional Capabilities
- D. Current Capabilities, Deficiencies, and Barriers
- E. Technology Plan
- F. Summary

Section 2—Real-Time Focused Logistics

- A. Description
- B. Operational Capability Elements
- C. Functional Capabilities
- D. Current Capabilities, Deficiencies, and Barriers
- E. Technology Plan
- F. Summary

Section 3—Sustainment of Strategic Systems

- A. Description
- B. Operational Capability Elements
- C. Functional Capabilities
- D. Current Capabilities, Deficiencies, and Barriers
- E. Technology Plan
- F. Summary

X FORCE PROJECTION/DOMINANT MANEUVER

Section 1—Force Projection and Maneuver Dominance

- A. Description
- B. Operational Capability Elements
- C. Functional Capabilities
- D. Current Capabilities, Deficiencies, and Barriers

-
- E. Technology Plan
 - F. Summary
- Section 2—Joint Countermine**
- A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities
 - D. Current Capabilities, Deficiencies, and Barriers
 - E. Technology Plan
 - F. Related Activities
 - G. Summary
- XI ELECTRONIC WARFARE**
- A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities
 - D. Current Capabilities, Deficiencies, and Barriers
 - E. Technology Plan
 - F. Summary
- XII CHEMICAL/BIOLOGICAL WARFARE DEFENSE AND PROTECTION AND COUNTER WEAPONS OF MASS DESTRUCTION**
- Section 1—Chemical/Biological Warfare Defense and Protection**
- A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities
 - D. Current Capabilities, Deficiencies, and Barriers
 - E. Technology Plan
 - F. Summary
- Section 2—Counter Weapons of Mass Destruction**
- A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities
 - D. Current Capabilities, Deficiencies, and Barriers
 - E. Technology Plan
 - F. Summary
- XIII COMBATING TERRORISM**
- A. Description
 - B. Operational Capability Elements
 - C. Functional Capabilities
 - D. Current Capabilities, Deficiencies, and Barriers
 - E. Technology Plan
 - F. Summary

XIV PROTECTION OF SPACE ASSETS

- A. Description
- B. Operational Capability Elements
- C. Functional Capabilities
- D. Current Capabilities, Deficiencies, and Barriers
- E. Technology Plan
- F. Summary

XV HARD AND DEEPLY BURIED TARGET DEFEAT

- A. Description
- B. Operational Capability Elements
- C. Functional Capabilities

GLOSSARY OF ABBREVIATIONS AND ACRONYMS

FIGURES

- I-1 Science and Technology Planning Process
- II-1 The Concept of *Joint Vision 2010*
- II-2 Methodology for a Joint Warfighting Capability Objective
- II-3 Joint Warfighting Capability Objectives Funding, Fiscal Year 2000
- II-4 DTO Share of Defense 6.2 and 6.3 Investment
- II-5 Technology Area Review and Assessment Process
- III-1 Joint Experimentation Efforts for FY 99 and 00
- III-2 Rapid Decisive Operations (RDO)
- III-3 Attack Operations Against Critical Mobile Targets (AOACMT)
- III-4 Common Relevant Operational Picture (CROP)
- III-5 Adaptive Joint Command and Control (AJC²)
- III-6 Joint Interactive Planning (JIP)
- III-7 Focused Logistics Enabling Early Decisive Operations (FLEEDO)
- III-8 Information Operations (IO)
- III-9 Forcible Entry Operations (FEO)
- III-10 Strategic Deployment (SD)
- IV-1 Concept—Information Superiority
- IV-2 Concept—Defense Information Operations
- IV-3 Technology to Capabilities—Information Superiority
- IV-4 Roadmap—Information Superiority, Global Battlespace Awareness OCE
- IV-5 Roadmap—Information Superiority, Effective Employment of Forces, and Global Information Grid OCEs
- IV-6 Progress—Information Superiority
- V-1 Concept—Precision Engagement
- V-2 Concept—Precision Fires
- V-3 Technology to Capability—Precision Fires
- V-4 Roadmap—Precision Fires
- V-5 Progress—Precision Fires
- VI-1 Concept—Combat Identification
- VI-2 Technology to Capability—Combat Identification
- VI-3 Roadmap—Combat Identification
- VI-4 Progress—Combat Identification
- VII-1 Concept—Joint Theater Missile Defense
- VII-2 Technology to Capability—Joint Theater Missile Defense
- VII-3 Roadmap—Joint Theater Missile Defense
- VII-4 Progress—Joint Theater Missile Defense
- VIII-1 Concept—Military Operations on Urbanized Terrain
- VIII-2 Technology to Capability—Military Operations on Urbanized Terrain

- VIII-3 Roadmap—Military Operations on Urbanized Terrain
- VIII-4 Relationship of Major Infantry Programs
- VIII-5 Progress—Military Operations on Urbanized Terrain
- IX-1 Concept—Achieving Joint Readiness
- IX-2 Technology to Capability—Joint Readiness
- IX-3 Roadmap—Joint Readiness
- IX-4 Progress—Joint Readiness
- IX-5 Concept—Real-Time Focused Logistics
- IX-6 Technology to Capability—Real-Time Focused Logistics
- IX-7 Roadmap—Real-Time Focused Logistics
- IX-8 Progress—Real-Time Focused Logistics
- IX-9 Concept—Sustainment of Strategic System
- IX-10 Technology to Capability—Sustainment of Strategic Systems
- IX-11 Roadmap—Sustainment of Strategic Systems
- IX-12 Progress—Sustainment of Strategic Systems
- X-1 Concept—Force Projection/Dominant Maneuver
- X-2 Leveraging Precision Remote Fires in Dominant Rapid Force Projection
- X-3 Technology to Capability—Force Projection/Dominant Maneuver
- X-4 Roadmap—Force Projection/Dominant Maneuver
- X-5 Progress—Force Projection/Dominant Maneuver
- X-6 Concept—Joint Countermine
- X-7 Technology to Capability—Joint Countermine
- X-8 Roadmap—Joint Countermine
- X-9 Humanitarian Demining Focus
- X-10 UXO Center of Excellence (“The Way Ahead”)
- X-11 Progress—Joint Countermine
