Western States Legal Foundation: Working for Peace & Justice in a Nuclear Free World

Dinner—Music—Information

- A Benefit for Western States Legal Foundation -

WSLF regularly participates in international governmental and nongovernmental conferences on nuclear disarmament. Recent and upcoming conferences include:

- United Nations High-Level Meeting on Nuclear Disarmament
- Haifa Conference for a Nuclear Weapons and Weapons of Mass Destruction Free Zone in the Middle East
- Second Conference on the Humanitarian Impact of Nuclear Weapons – Nayarit, Mexico
- Nuclear Nonproliferation Treaty Preparatory Committee for the 2015 Review Conference
- Third Conference on the Humanitarian Impact of Nuclear Weapons – Vienna, Austria

A significant focus of WSLF's work in recent years has been raising awareness of the continuing danger posed by nuclear weapons with constituencies not currently focused on nuclear issues. Events and projects include:

- Facing the Dangers of 21st Century Great Power War: A Conference on the Centenary of World War I
- Sarajevo Peace Event 2014
- "North of Tlatelolco" U.S.—Mexico project
- Working Group for Peace & Demilitarization in Asia and the Pacific
- Climate Change, Nuclear Weapons and Militarism

With only two full time paid staff members, WSLF magnifies its impact by working through local, national and international coalitions and networks including:

- Mayors for Peace
- Abolition 2000 Global Network to Eliminate Nuclear Weapons
- International Association of Lawyers Against Nuclear Arms
- United for Peace & Justice
- New Priorities Network
